

PARTYROUND

®

Invest in friends.

**Party Round
is *Venmo*
for fundraising.**

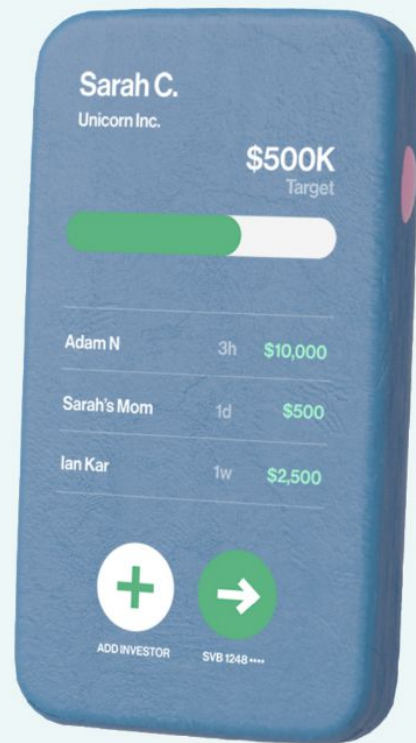

**Party Round makes it easy
for founders to raise
money from the people in
their existing network.**

Create a round in minutes.

Send it out to as many (or few) people as they'd like.

1. Create a round 2. Configure SAFE 3. Invite investors

Investors can invest in 3 taps.

1. Get invited 2. Sign docs 3. Invest

No expensive law firms

**No crowdfunding
campaigns**

No wire transfers

Because the way we invest is changing.

Investing is social, mainstream, and accessible.

Robinhood

Public

StockX

Coinbase

Republic

Rally Rd.

Top Shot

Founders need better tools to access funding.

Faster, mobile-first experience

More, smaller checks

Easily raise from your whole network, but not the whole world.

**We're entrepreneurs
and investors building the tool
we wish we had every single day.**

Jordi Hays

Serial founder and angel

Sarah Chase

Investor and advisor in 50 + companies, previously founded CPGD
