

M E Y A . A I

Customer service
is frustrating and
takes too long.

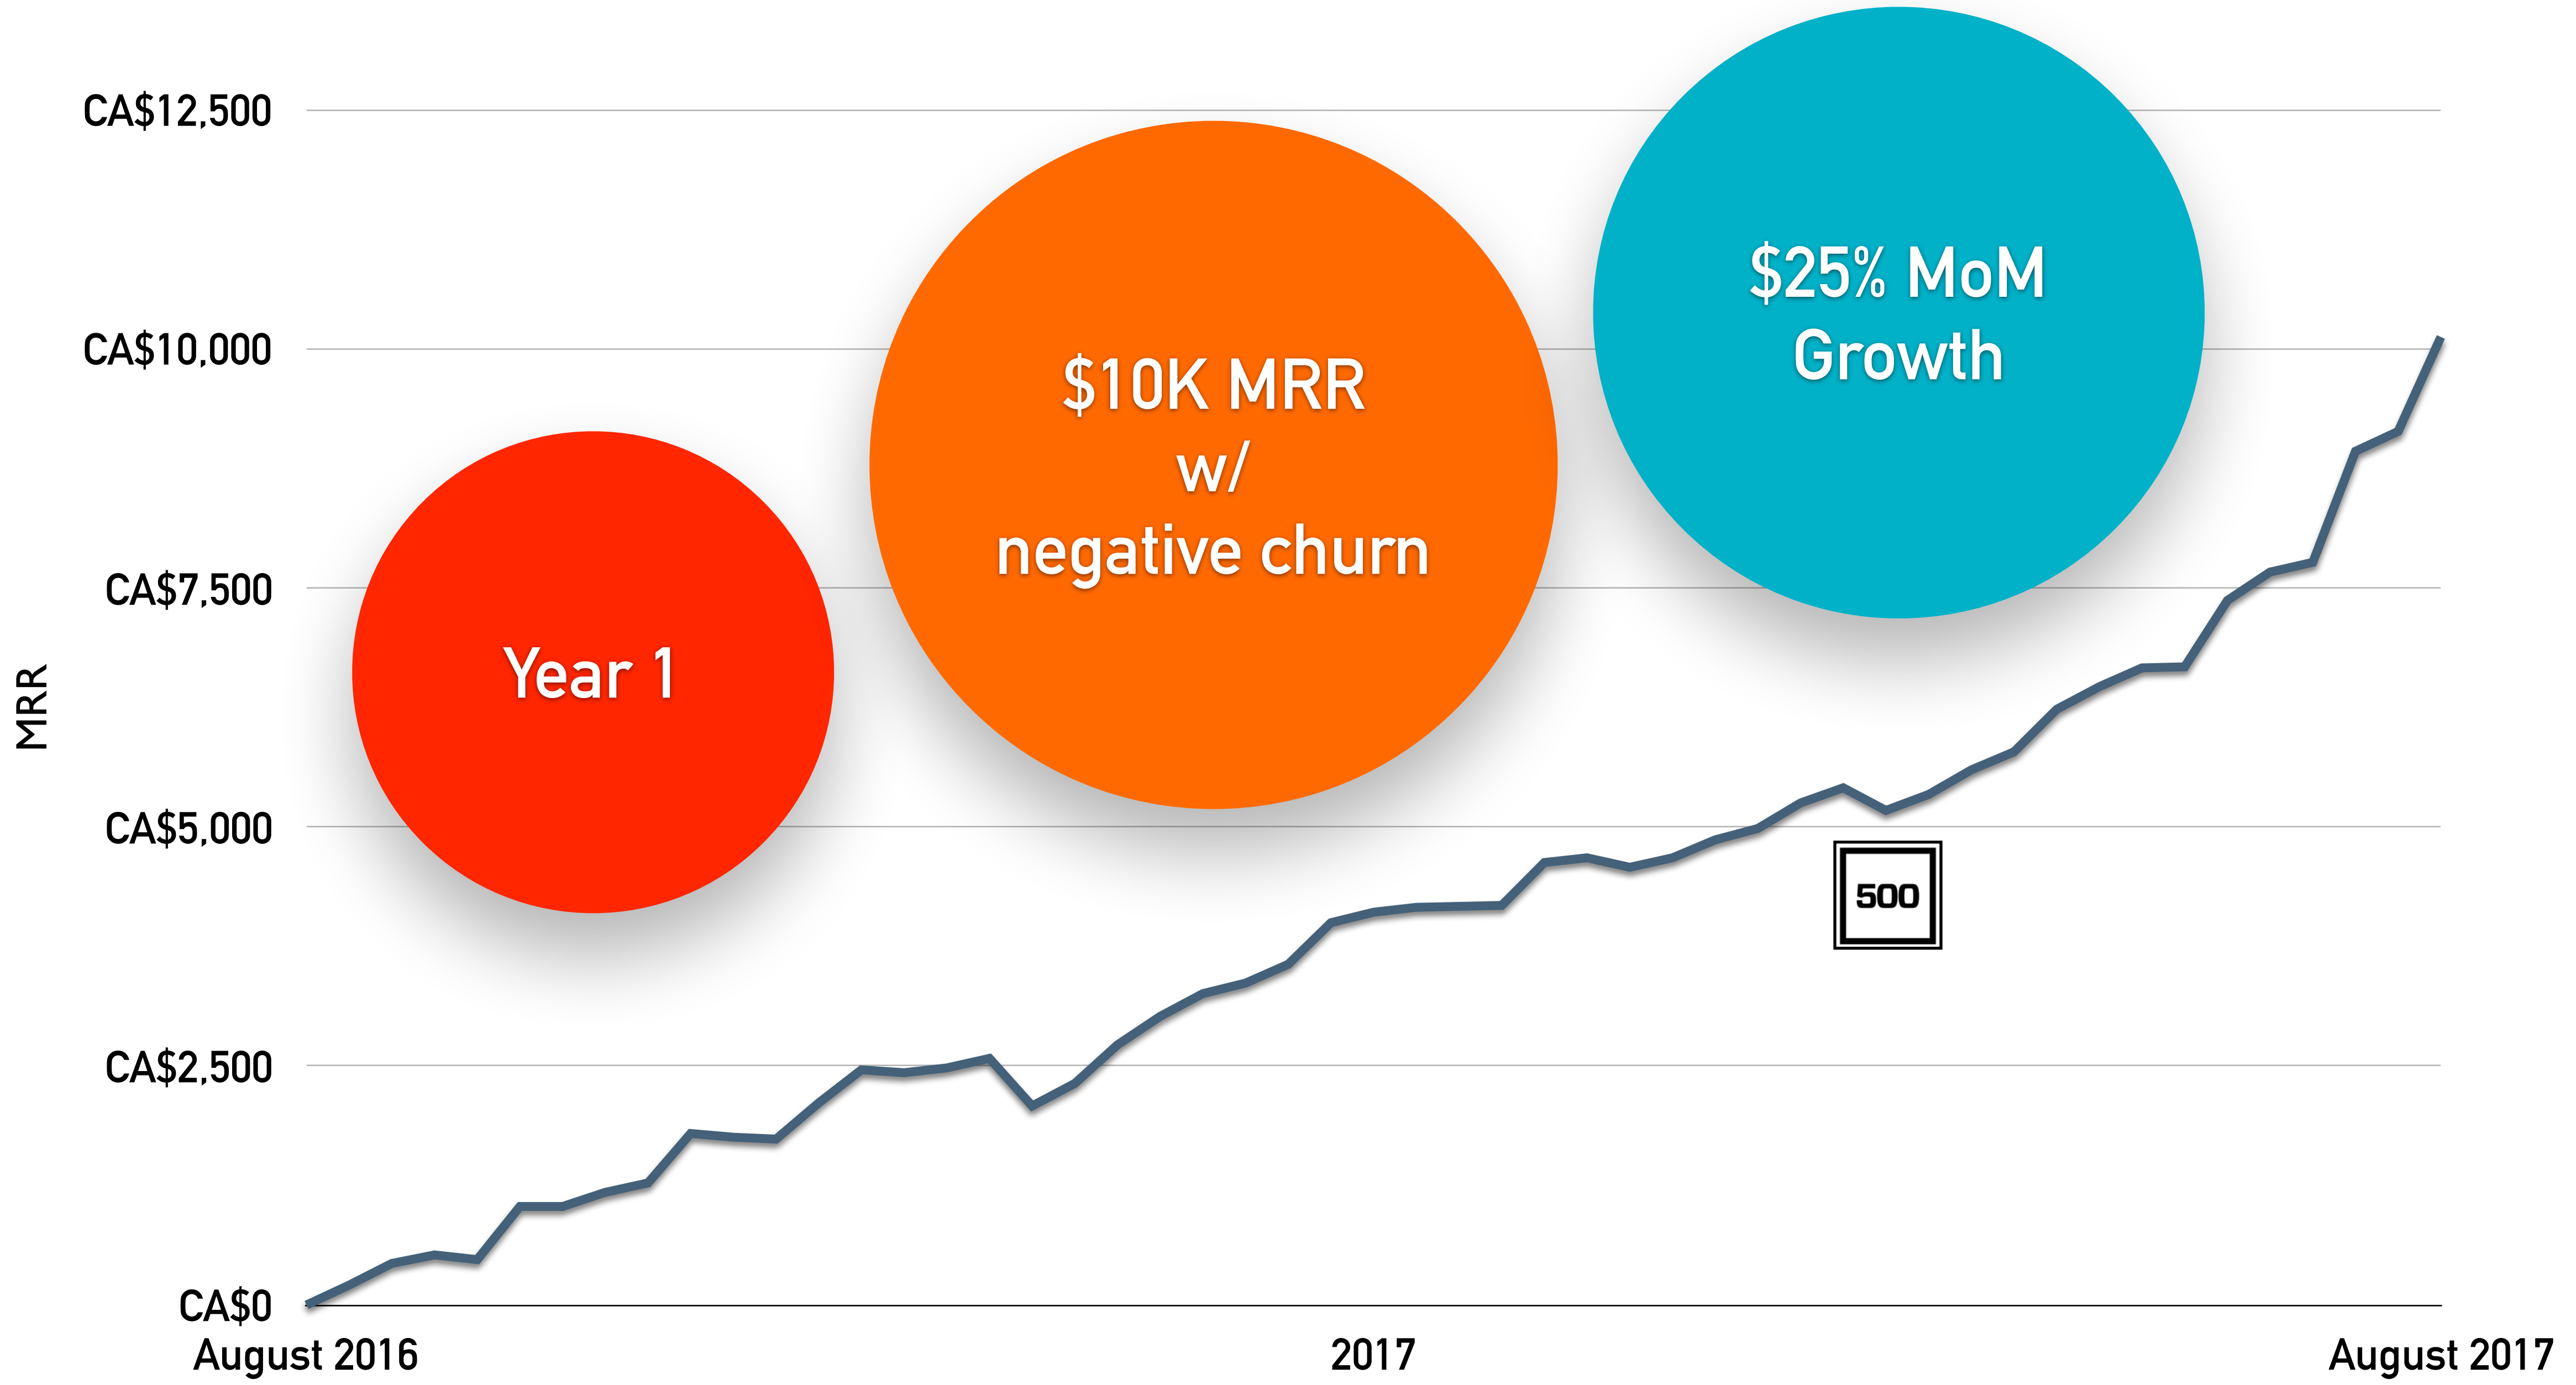

We fix this.

erik@meya.ai - angel.co/meya

**We make it easy to create
amazing customer service using
our bot building platform.**

Our customers love us. They launch then spend more

Quilt

AJ

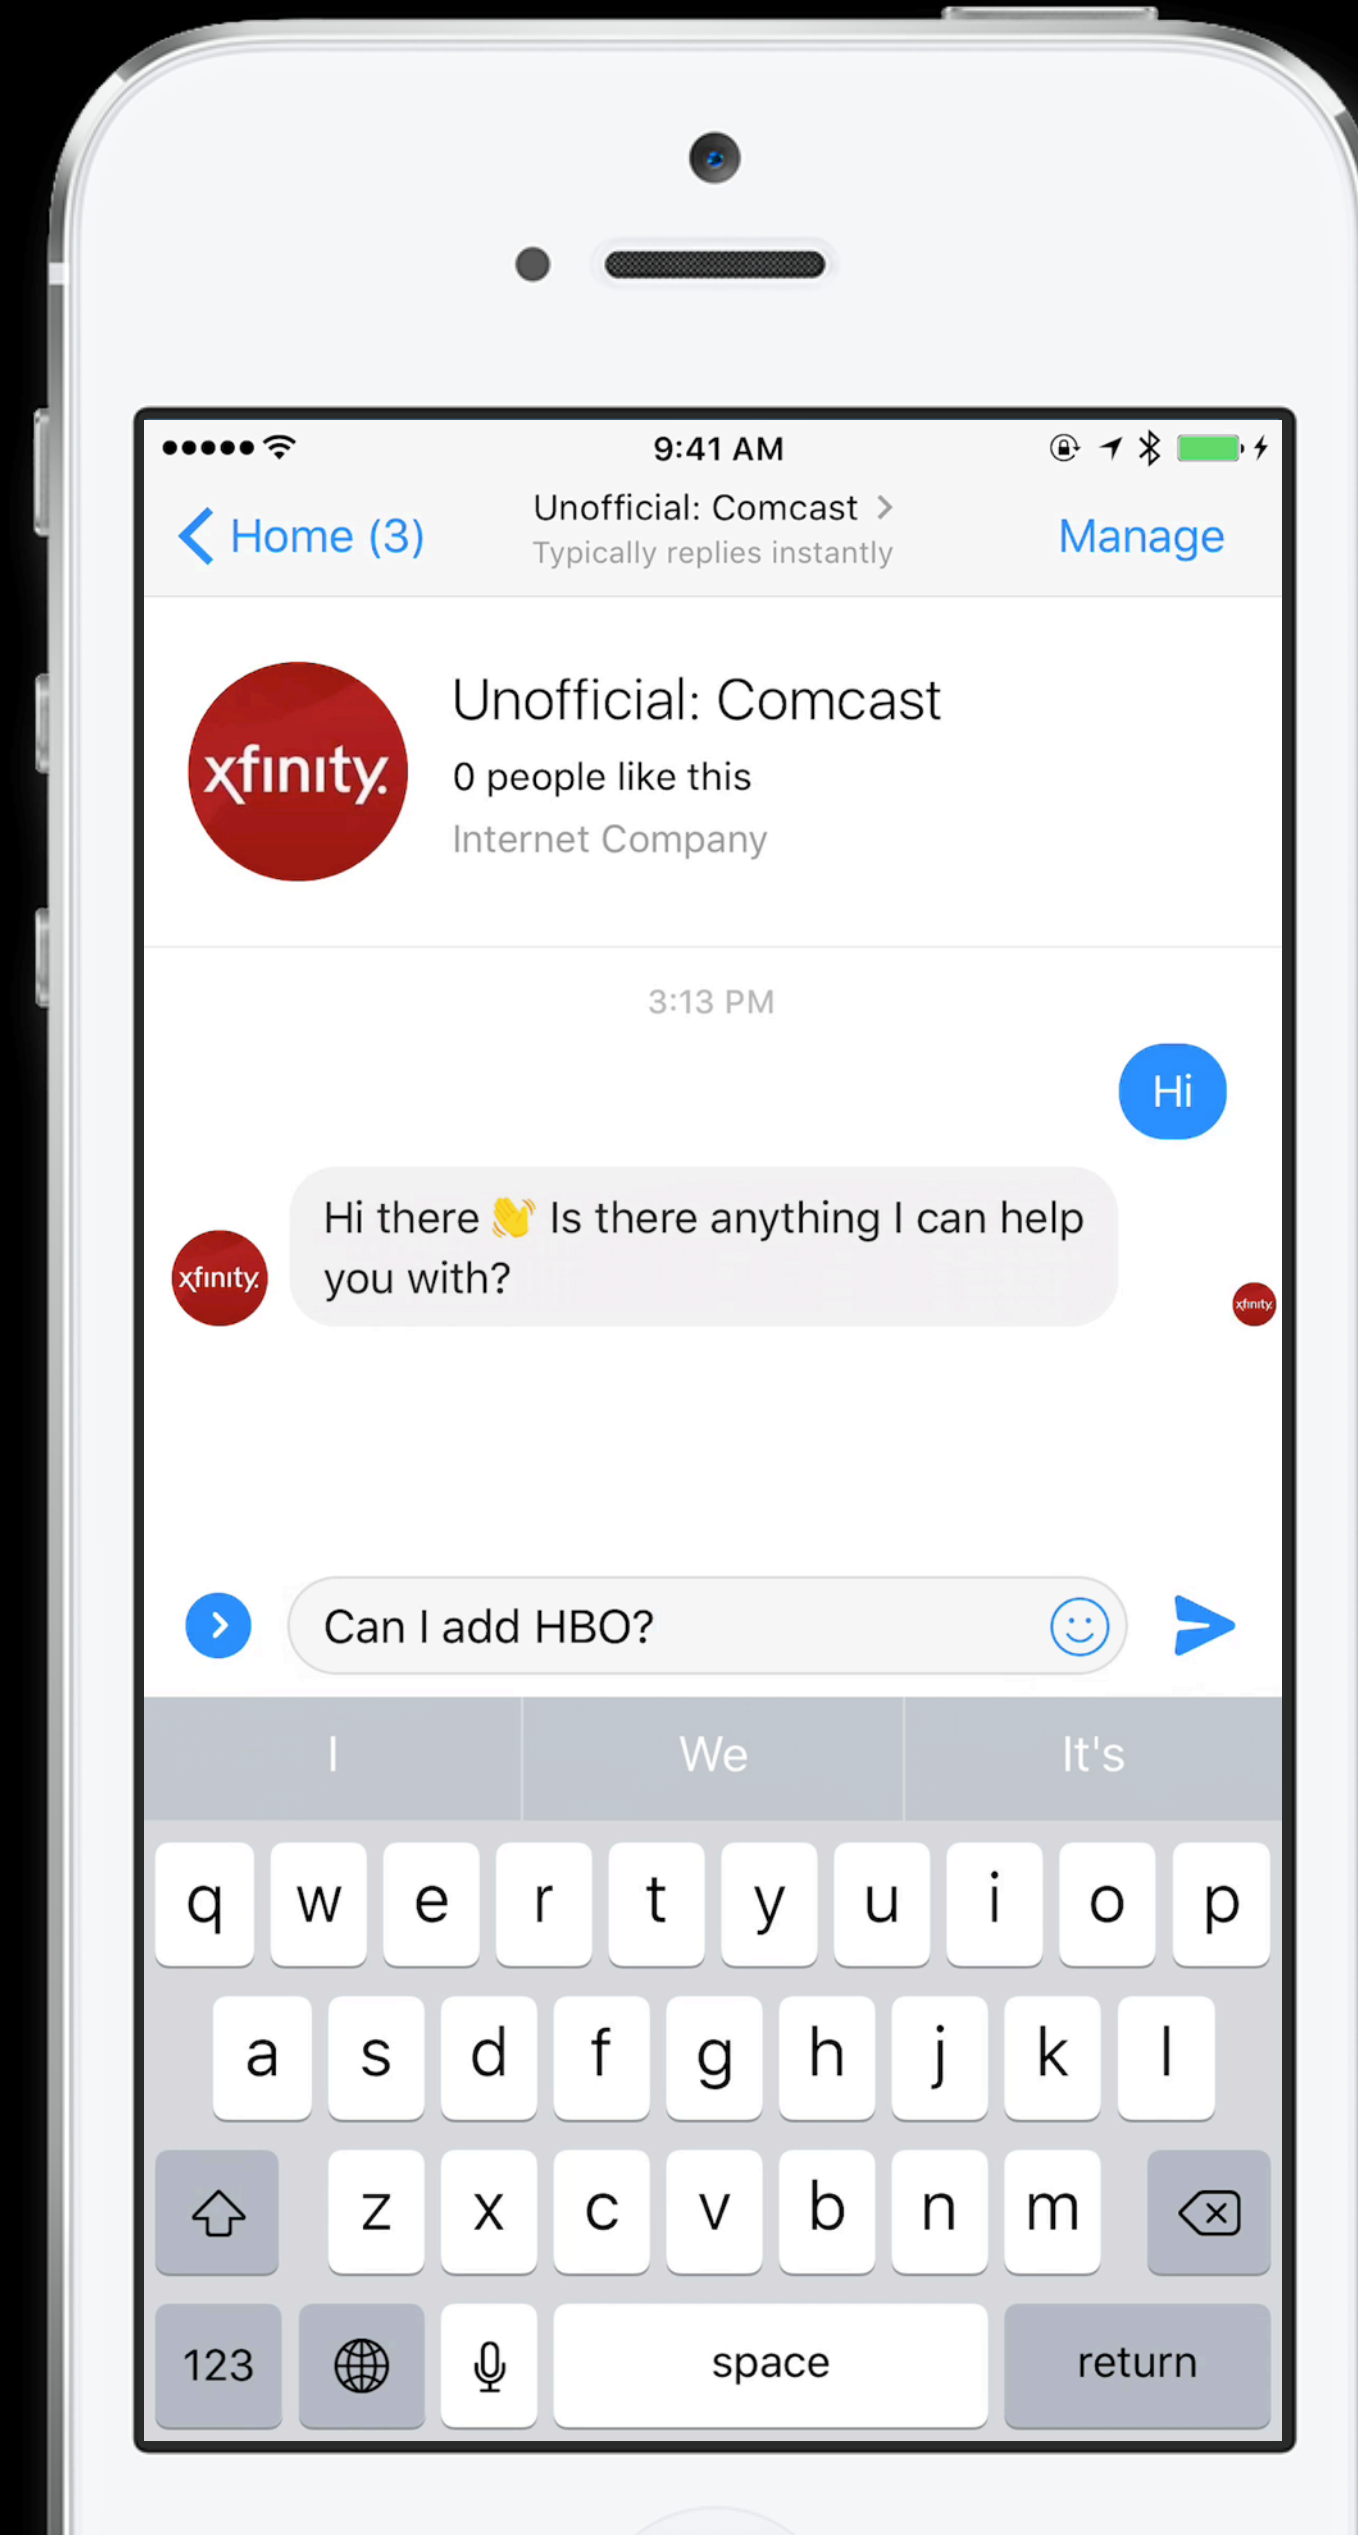

LUXGROUP

HOMIGO

But why do they choose us?

We've invented a new bot language
and framework that makes it easy.

We can turn any workflow into a conversational interface.

Contact centers alone are a \$100B industry
and employ 5M people worldwide.

Humans don't scale. Meya does.

We're experienced tech founders with prior exit
